

MOUNTAINEER BASEBALL ACADEMY SPONSOR PROGRAM

The Rogers Mountaineer Baseball Academy has begun the 2015-2016 baseball season. We currently have six USSSA Travel Teams (ages 9 - 13). We are a 501c3 non-profit organization and are seeking support from sponsors to help offset the cost of running our successful program. We offer scholarships to families in need and need to maintain our own facilities for play. Please help us reach our goals while showing your community support by becoming a Mountaineer Baseball Academy sponsor!
